All other liabilities and obligations that are not Assumed Liabilities will be retained by and remain liabilities and obligations of Seller, its bankruptcy estate and successors in interest (all such liabilities are, collectively, the "**Excluded Liabilities**"). For purposes of clarity: (i) with respect

to Acquired Contracts that are real property leases, Purchaser shall not be responsible for Cure Costs in excess of amounts identified in Schedule 2.1(g) and Seller shall be responsible for all such Cure Costs, if any, in excess of amounts set forth in Schedule 2.1(g), and (ii) with respect to Acquired Contracts that are Executory Contracts, Purchaser shall be responsible for Cure Costs not to exceed \$90,000 and Seller shall be responsible for all such Cure Costs, if any, in excess of \$90,000.

SECTION 2.5 Non-Assignment of Contracts. Notwithstanding anything contained in this Agreement to the contrary, this Agreement is not an agreement to assign any Acquired Contract or any Permit, if, notwithstanding the provisions of sections 105, 363, 365 and 1129 of the Bankruptcy Code, an attempted assignment, without the consent of any other Person party thereto, would constitute a breach thereof or in any way negatively affect the rights of either of the Seller or Purchaser as the assignee of such Acquired Contract or Permit, as the case may be. Seller will use commercially reasonable efforts prior to Closing to obtain all consents necessary for the consummation of the transactions contemplated hereby (without conditions materially adverse to Purchaser). All such consents shall be in writing and executed counterparts thereof shall be delivered to Purchaser promptly after Seller's receipt thereof but in no event later than two Business Days prior to the Closing Date. If, notwithstanding the provisions of sections 105, 363, 365 and 1129 of the Bankruptcy Code, consent or approval for assignment of Acquired Contracts and Permits is required but not obtained or if an attempted assignment thereof would be ineffective or would adversely affect the rights thereunder so that Purchaser would not receive all such rights and interests in the Acquired Contracts, Seller will use commercially reasonable efforts to provide to Purchaser without further consideration the benefits under any such Acquired Contract or any claim or right, including, without limitation, enforcement (at Seller's expense) for the benefit of Purchaser of any and all rights of Seller against any Person party to the Acquired Contract or Permit arising out of the breach, default or cancellation thereof by such Person or otherwise until Closing. After Closing, Purchaser will be responsible for all payment and other obligations under, and for all costs of enforcing rights under Acquired Contracts or Permits. Section 2.5 shall not apply to Liquor Licenses or liquor Permits which are subject to the Transition Agreement.

ARTICLE 3. CONSIDERATION

SECTION 3.1 Calculation of Consideration. The aggregate consideration for the sale, transfer, assignment and conveyance of the Acquired Assets is: (a) the Final Cash Purchase Price, (b) Purchaser's assumption of the Assumed Liabilities, (c) Purchaser's payment of Cure Costs to the extent provided in Section 2.3(a) and (d) Purchaser's issuance of the M&E Trust Note to the M&E Trust (collectively, the "**Total Consideration**"). The monetary value of the Total Consideration is \$ \$24,854,516 million.

SECTION 3.2 Cash Consideration and Post-Closing Cash True-Up.

(a) At Closing, Purchaser shall deliver to Seller cash in the amount of (i) \$14,750,000, (ii) minus the Deposit, (iii) minus the amount, if any, by which Seller's good faith estimate of the Cash that it shall deliver to Purchaser two Business Days prior to the Closing (the "**Estimated Cash**") is less than the Required Cash, and (iv) minus, on a dollar-for-dollar basis, the amount, if any, by which the Estimated Closing Working

Capital is less than the Target Working Capital Amount (the “**Preliminary Cash Purchase Price**”), subject to the Working Capital Adjustment below.

(b) Within ten (10) Business Days after the Closing, the Purchaser shall notify the Seller in writing (the “**Final Cash Notification**”) of the Purchaser’s final determination of the amount of Cash that it received from the Seller at the Closing and such notice shall include written records reflecting the actual Cash balance delivered to Purchaser at the Closing (the “**Actual Cash**”). The Seller or the Purchaser, as the case may be, shall make payments to reflect the Actual Amount of Cash as follows:

(i) If (A) Estimated Cash is greater than the Required Cash and (B) Actual Cash is less than the Required Cash, then the Seller shall pay the Purchaser an amount equal to the excess of the Required Cash over the Actual Cash within three Business Days following the Purchaser’s delivery of the Final Cash Notification to the Seller, provided that, if the Seller defaults on such payment, the Purchaser may, at its option, set off an amount equal to the product of 1.4 multiplied by the amount of such defaulted payment against the M&E Trust Note.

(ii) If Estimated Cash is less than the Required Cash, then:

(A) if the Actual Cash is less than the Estimated Cash, then the Seller shall pay the Purchaser an amount equal to excess of the Estimated Cash over the Actual Cash, which amount shall be paid in cash by wire transfer to such account as may be specified by the Purchaser within three Business Days following the Purchaser’s delivery of the Final Cash Notification to the Seller, provided that if the Seller defaults on such payment, the Purchaser may, at its option, set off an amount equal to the product of 1.4 multiplied by the amount of such defaulted payment against the M&E Trust Note; and

(B) if the Actual Cash is greater than the Estimated Cash, then the Purchaser shall pay the Seller an amount equal to the lesser of (i) the excess of the Required Cash over the Estimated Cash and (ii) the excess of the Actual Cash over the Estimated Cash, in either case, which amount shall be paid in cash by wire transfer to such account as may be specified by the Seller within three Business Days following the Purchaser’s delivery of the Final Cash Notification to the Seller. In the event that Purchaser defaults on its payment obligation under this Section 3.2(b)(ii)(B), the Seller may elect, at its option, to increase the amount owed by Purchaser under the M&E Trust Note by an amount equal to the product of 1.4 multiplied by the amount of defaulted payment by Purchaser.

(c) Within 30 days after the Closing, the Purchaser shall pay the Seller that amount, if any, by which Required Cash exceeds the Actual Cash, which amount shall be paid in cash by wire transfer to such account as may be specified by the Seller.

(d) All references to Seller in Section 3.2 shall also include the M&E Trust, as successor to Seller, with respect to all rights and obligations of Seller after the Closing.

SECTION 3.3 Working Capital Adjustment.

(a) Within two Business Days prior to the Closing, the Seller shall deliver to the Purchaser a statement, prepared in consultation with the Purchaser, setting forth the Seller's reasonable good faith estimate of the Working Capital as of the Closing (which shall be calculated using the Estimated Cash as the amount of Cash) (the "**Estimated Closing Working Capital**").

(b) Upon the determination of the Final Closing Working Capital in accordance with Section 3.3(d), the Preliminary Cash Purchase Price shall be adjusted as follows (the Preliminary Cash Purchase Price, as so adjusted, the "**Final Cash Purchase Price**"):

- (i) if the Final Closing Working Capital exceeds the Estimated Closing Working Capital, then the Preliminary Cash Purchase Price shall be increased and the Purchaser shall pay the Seller, in cash by wire transfer to such account as may be specified by the Seller, the lesser of (A) the amount by which the Final Closing Working Capital exceeds the Estimated Closing Working Capital and (B) the amount by which the Target Working Capital exceeds the Estimated Closing Working Capital. In the event that Purchaser defaults on its payment obligation under this Section 3.3(b)(i), the Seller may elect, at its option, to increase the amount owed by Purchaser under the M&E Trust Note by an amount equal to the product of 1.4 multiplied by the amount of defaulted payment by Purchaser.
- (ii) if the Final Closing Working Capital is less than the Estimated Working Capital, then the Preliminary Cash Purchase Price shall be decreased and the difference shall be paid to the Purchaser by the Seller, provided that if the Seller defaults on such payment, the Purchaser may, at its option, set off an amount equal to 1.4 multiplied by the amount of such defaulted payment against the M&E Trust Note.

(c) The amount payable to the Purchaser pursuant to Section 3.3(b)(ii)(without regard to any set off rights provided for in the proviso of such Section), if any, shall be paid 83% in cash (by wire transfer to such account as may be specified by the Purchaser) and 17% by reducing the principal amount of the M&E Trust Note on a dollar for dollar basis. The amount payable pursuant to Section 3.3(b)(i) or (ii), if any, shall be paid within five days of the final determination of the Final Adjustment Statement pursuant to Section 3.3(d).

(d) Within 75 days following Closing, the Purchaser shall prepare and deliver to the Seller in writing a calculation of the proposed adjustments to the Preliminary Cash Purchase Price to arrive at the Final Cash Purchase Price, including a written calculation of the proposed Final Closing Working Capital (which shall be calculated using the Final Cash as the amount of Cash) (the "**Adjustment Statement**").

If the Seller has any objections to the Adjustment Statement, the Seller shall deliver a single detailed written statement (an “**Objection Notice**”) describing all such objections within 30 days after receipt from the Buyer of the Adjustment Statement; provided, however, that such objections shall only be made on the basis that (i) the Adjustment Statement was not prepared in accordance with this Section 3.3(d) or (ii) there has been an error in mathematical calculation relating to the Adjustment Statement. The Purchaser shall, upon the Seller’s request following receipt of an Objection Notice, make available to the Seller, (A) a copy of all workpapers, financial information and any other books and records utilized by the Purchaser in the preparation of the Adjustment Statement, and (B) all personnel, including accounting personnel, involved in or possessing information relevant to the preparation of the Adjustment Statement. The Seller’s failure to deliver an Objection Notice within such 30-day period shall constitute their acceptance of the Adjustment Statement as the “**Final Adjustment Statement**.” The Seller shall not be entitled to dispute the Adjustment Statement if such disputes are not described in reasonable detail in a timely Objection Notice. The Purchaser and the Seller will use their commercially reasonable efforts to resolve all disputes regarding the Adjustment Statement. If the Purchaser and the Seller do not resolve all such disputes within 30 days after the Purchaser has received the an Objection Notice, all disputes regarding the Adjustment Statement shall be referred to BDO Seidman, LLP’s offices located in Chicago, Illinois, or if such accounting firm is unable or unwilling to resolve such objections, another nationally recognized independent public accounting firm mutually and reasonably acceptable to the Purchaser and the Seller for resolution (the “**Selected Accountants**”). The Purchaser and the Seller shall use their commercially reasonable efforts to cause the Selected Accountants to render a written decision resolving the matters submitted to it within 30 days following the submission thereof or as soon as reasonably practicable thereafter. The Selected Accountants shall be authorized to resolve only those items remaining in dispute between the Purchaser and the Seller in accordance with the provisions of this Section 3.3(d) within the range of the difference between (and including) the Buyer’s position with respect thereto and the Sellers’ position with respect thereto. The determination of the Selected Accountants as to any objections will be set forth in writing and will be conclusive and binding upon the Purchaser and the Seller and all other parties with an interest therein. The Purchaser and the Seller will revise the Estimated Closing Working Capital calculation and the Adjustment Statement as appropriate to reflect the resolution of any objections thereto pursuant to this Section 3.3(d) and thereby arrive at the “**Final Closing Working Capital**” and the “**Final Adjustment Statement**.” If the Purchaser and the Seller submit any unresolved disputes regarding the calculation of the Final Closing Working Capital and the Final Adjustment Statement to the Selected Accountants for resolution as provided in this Section 3.3(d), the Purchaser and the Seller will share the responsibility for the fees and expenses of the Selected Accountants as the Selected Accounts determine to be equitable in light of the outcome of its determination. The payment required to be made pursuant to Section 3.3(b) shall be delayed during the pendency of any dispute as set forth in this Section 3.3(d).

(e) All references to Seller in Section 3.3 shall also include the M&E Trust, as successor to Seller, with respect to all rights and obligations of Seller after the Closing.

(f) With respect to any secured financing obtained by Purchaser with respect to the Sale, the agreements and other documentation relating to such financing shall authorize Purchaser to pay to Seller any and all amounts required to be paid by Purchaser to Seller pursuant to Sections 3.2 and 3.3.

ARTICLE 6. COVENANTS AND OTHER AGREEMENTS

SECTION 6.1 Pre-Closing Covenants of Seller and Conduct of Business Before the Closing Date. Seller covenants to Purchaser that, during the period from the Execution Date through and including the Closing Date, Seller will conduct its business in all material respects in the manner that has been conducted since the Petition Date, will use commercially reasonable efforts to preserve intact its business, organization and relationships with third parties and will maintain Working Capital levels consistent with Seller's ordinary course post-petition levels. Except as set forth on Schedule 6.1 or as required pursuant to the terms of this Agreement, Seller:

- (a) will not take or agree to commit to take any action that would make any representation or warranty of Seller inaccurate in any material respect at, or as of any time prior to, the Closing Date;
- (b) will not borrow funds from any Person or declare or pay dividends to any Person except for (i) cash management practices in all material respects in the ordinary course of business consistent with past practices, (ii) borrowing under any cash collateral order currently in effect and entered by the Bankruptcy Court, and (iii) obtaining or granting trade terms in the ordinary course of Seller's business.

- (e) will not enter into any material Contract or any material amendment, modification or termination (partial or complete) of, grant any material waiver under or give any material consent with respect to, any Contract set forth on Schedule 2.1(g) or that is otherwise required to be disclosed in the schedules to Section 2.1;
- (f) will not assume any Contract or pay any Cure Costs;

- (g) will not place or impose any Lien other than Permitted Liens on the Acquired Assets;
- (h) will not sell or dispose of any Acquired Assets other than sales of inventory in the ordinary course of business;
- (i) will not enter into, amend, modify or terminate, in any material respect, any Contract with respect to the Intellectual Property rights of any Person;
- (j) will consult with the Purchaser regarding proposed (1) actions outside the ordinary course of business (other than with respect to an Alternative Transaction) and (2) terminations of any store managers or personnel above the store level, except termination for cause or otherwise in accordance with Seller's policies;
- (k) after the entry of the Bid Procedures Order, unless the Purchaser otherwise consents, will conduct its business only in the ordinary course consistent with practices since the appointment of the chief restructuring officer, and will not terminate any store managers or personnel above the store level except for cause and except at those stores where Purchaser has consented to the closure of such store;
- (l) will undertake the actions before the Bankruptcy Court described in Section 11;
- (m) will renew or cause to be renewed, at Seller's expense, any Permit listed on Schedule 2.1(j) that has expired between the Execution Date and Closing, and which is capable of being renewed by Seller;
- (n) will use commercially reasonable efforts commencing on the first Business Day following the Execution Date to cause the Company's IT assets to be relocated to its Columbus, OH, facility (or such other facility in Columbus as may be designed by Purchaser), so that the Company's IT assets will be made fully functional after such relocation, with historical data intact, as soon as possible, but in no event later than 15 days prior to the Confirmation Hearing; and
- (o) will not pay any non-budgeted bankruptcy related expenses (i.e., professional, legal, advisory and consulting fees and expenses) in excess of current budgeted amounts and any such excess or unbudgeted amounts will be the sole responsibility of Seller, and such payments and the timing of any payments made by Seller prior to Closing will only be made within the ordinary course of Seller's current post-petition practices.

SECTION 6.2 Pre-Closing Covenants of Purchaser. Purchaser covenants to Seller that, during the period from the Execution Date through and including the Closing Date or the earlier termination of this Agreement:

- (a) Cooperation. Purchaser will use commercially reasonable efforts to take, or cause to be taken, all action and to do, or cause to be done, all things necessary or proper, consistent with applicable law, to consummate and make effective as soon as possible the transactions contemplated hereby;

(b) Adequate Assurances Regarding Acquired Contracts and Required Orders. With respect to each Acquired Contract, Purchaser will provide adequate assurance of the future performance of such Acquired Contract by Purchaser. Purchaser shall promptly take such actions as may be reasonably necessary to assist Seller in obtaining the Bankruptcy Court's entry of the Plan Confirmation and Sale Approval Order and any other order of the Bankruptcy Court reasonably necessary to consummate the transactions contemplated by this Agreement.

SECTION 6.3 Employee Matters.

(a) Termination of Employees on Closing Date. Effective immediately prior to the Closing on the Closing Date, Seller will terminate all of Seller's employees without liability or expense to Purchaser.

(b) Employment by Buyer. Purchaser is not obligated to hire any employee of Seller, but may interview all employees of Seller. Five days prior to the Closing Date or 3 days following the entry of the Confirmation Order, whichever is later, Purchaser will provide Seller with a list of employees to whom Purchaser intends to offer employment as of the Closing Date. Subject to applicable law, Purchaser will have reasonable access to personnel records of Seller for the purpose of preparing for and conducting employee interviews of Seller's employees, and Purchaser will conduct employee interviews as expeditiously as possible prior to the Closing Date. Access will be provided by Seller on reasonable prior notice by Purchaser, during Seller's normal business hours.

It is understood and agreed that (A) Purchaser's expressed intention to extend offers of employment as set forth in this section will not constitute any commitment, contract or understanding (express or implied) of any obligation on the part of Purchaser to a post-Closing employment relationship of any fixed term or duration or on any terms or conditions other than those Purchaser may establish pursuant to individual offers of employment that are made directly to individuals, and (B) employment offered by Purchaser is "at will" and may be terminated by Purchaser or by employee at any time for any reason (subject to any written commitments to the contrary made by Purchaser and/or an employee and applicable laws). Nothing in this agreement will be deemed to restrict or prevent in any way the rights of Purchaser to terminate, reassign, promote or demote any employee of Seller hired by Purchaser after the Closing or to change adversely or favorable the title, powers, duties, responsibilities, functions, locations, salaries, other compensation or terms or conditions of employment of such employees.

(c) Notices and Other Actions. Seller will give all notices required by applicable law and take other actions required by applicable law necessary to carry out the provisions of Section 6.3.

(d) Cooperation. During the period between the Execution Date and the Closing Date, Purchaser and Seller will reasonably cooperate on labor and employment matters to effect the transactions contemplated by this Agreement.

SECTION 6.4 Name Change by Seller. On the Closing Date, Seller will cause its corporate name to be changed such that at no time after the Closing Date will Seller's name include or make reference to "Max & Erma's", other than in the caption of pleadings subsequently filed with the Bankruptcy Court, which will identify the Bankruptcy Case as "[Sold Restaurant Company], f/k/a Max & Erma's Restaurant, Inc.".

SECTION 6.5 Risk of Loss. From the date hereof through the Closing Date, all risk of loss or damage to the property included in the Purchased Assets shall be borne by Seller, and thereafter shall be borne by Purchaser. If any material portion of the Acquired Assets or any material portion of any Purchased Store is destroyed or damaged by fire or any other cause on or prior to the Closing Date, other than use, wear or loss in the ordinary course of business and consistent with past practices, then, Seller shall give written notice to Purchaser as soon as practicable after, but in any event within five days of, the discovery of such damage or destruction, the amount of insurance, if any, covering such Acquired Assets and the amount, if any, which Seller is otherwise entitled to receive as a consequence (i.e. claims against third parties for losses relating to Acquired Assets). If the assets so destroyed or damaged are material to the operation of any or all of the Purchased Stores, or the Acquired Assets, taken as a whole, in Purchaser's reasonable judgment, then Purchaser shall have the option, after conferring with Seller, exercisable prior to Closing by written notice to Seller no later than 30 days after receipt of Seller's notice hereunder of (a) accepting such Acquired Assets in their destroyed or damaged condition in which event Purchaser shall be entitled to the proceeds of any insurance payable with respect to such loss of Acquired Assets, (b) excluding such Acquired Assets from this Agreement in which event the Purchase Price shall be reduced pursuant to mutual agreement of Seller and Purchaser and Seller shall retain any insurance proceeds relating to the assets so excluded (and, in all instances, insurance proceeds relating to business interruption or loss of business) or (c) if more than one Purchased Store is destroyed or damaged, or if the assets so destroyed or damaged are material to the operation of the Acquired Assets, taken as a whole, in Purchaser's reasonable judgment, then Purchaser shall have the option of terminating this Agreement by written notice to Seller.

ARTICLE 7. TAXES

SECTION 7.1 Taxes Related to Purchase of Acquired Assets. All Taxes, including, without limitation, all state and local Taxes in connection with the transfer of the Acquired Assets, and all recording and filing fees (collectively, "**Transaction Taxes**"), that are imposed by reason of the sale, transfer, assignment and delivery of the Acquired Assets and that are not exempt under section 1146(a) of the Bankruptcy Code, will be borne by Seller. Purchaser and Seller will cooperate to (a) determine the amount of Transaction Taxes payable in connection with the transactions contemplated under this Agreement, (b) provide all requisite exemption certificates and (c) prepare and file any and all required Tax Returns for or with respect to such Transaction Taxes with any and all appropriate Government taxing authorities.

SECTION 7.2 Cooperation on Tax Matters.

(a) Purchaser and Seller will furnish or cause to be furnished to each other, as promptly as reasonably practicable, such information and assistance relating to the Acquired Assets and the Assumed Liabilities as is reasonably necessary for the

preparation and filing of any Tax Return, claim for refund or other required or optional filings relating to Tax matters, for the preparation for and proof of facts during any Tax audit, for the preparation for any Tax protest, for the prosecution or defense of any suit or other proceeding relating to Tax matters and for the answer to any Government relating to Tax matters; provided, however, nothing herein shall cause Purchaser to incur any extraordinary expense.

(b) Seller or its designee will retain possession of all accounting, business, financial and Tax records and information (i) relating to the Acquired Assets or the Assumed Liabilities that are in existence on the Closing Date and transferred to Purchaser hereunder and (ii) coming into existence after the Closing Date that relate to the Acquired Assets or the Assumed Liabilities before the Closing Date, for the period in which the M&E Trust remains in existence. Seller or its designee shall give Purchaser at least 60 days prior written notice and an opportunity to retain or copy any such records in the event that Seller or its designee determines to destroy or dispose of them after such period. In addition, from and after the Closing Date, Seller or its designee shall provide access to Purchaser and its designees, (after reasonable notice and during normal business hours and without charge), to the books, records, documents and other information relating to the Acquired Assets or the Assumed Liabilities as Purchaser may reasonably deem necessary. Such access shall include, without limitation, access to any computerized information retrieval systems relating to the Acquired Assets or the Assumed Liabilities.

(c) Prior to the Closing Date, Seller may but shall not be obligated to retain copies of all books, records and other information subject to Section 7.2, and after the Closing Date, Purchaser will provide Seller, the M&E Trustee (or any authorized representative of the M&E Trustee) reasonable access to books, records and other information for the purpose of making copies.

SECTION 7.3 Allocation of Purchase Price. Purchaser and Seller will allocate the Purchase Price and the Assumed Liabilities (plus all other capitalizable costs) among the Acquired Assets in the manner set forth on Schedule 7.3 attached hereto (the “**Allocation**”), which shall be prepared by Purchaser in accordance with section 1060 of the Code. Purchaser shall deliver to Seller a copy of the Purchase Price Allocation Schedule prior to the Closing Date or on such other date as otherwise mutually agreed. The Allocation will be binding upon Purchaser and Seller and their respective successors and assigns, and none of the parties to this Agreement will take any position (whether in returns, audits or otherwise) that is inconsistent with the Allocation. Except as otherwise required pursuant to a “determination” (as such term is defined in section 1313 of the Code), Purchaser and Seller will report the purchase and sale of the Acquired Assets on all tax returns, including, without limitation, Form 8594 as provided for in section 1060 of the Code, in accordance with the Allocation and will cooperate in timely filing with the Internal Revenue Service their respective Forms 8594.

SECTION 8.1 Conditions Precedent to Performance by Seller. The obligation of Seller to consummate the transactions contemplated by this Agreement and the Plan is subject to

the fulfillment, at or before the Closing, of the following conditions, any one or more of which (other than the conditions contained in Section 8.1(c) and Section 8.1(d)) may be waived by Seller, in writing, in its sole discretion and with consent of the Committee:

(a) Representations and Warranties of Purchaser. The representations and warranties of the Purchaser made in Section 5.2 of this Agreement, in each case, shall be materially true and correct as of the Execution Date and as of the Closing Date as though made by Purchaser again as of the Closing Date, except to the extent such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall be true and correct on and as of such earlier date.

(b) Performance of the Obligations of Purchaser. Purchaser shall have performed in all material respects all obligations required under this Agreement or any Ancillary Agreement to which it is party which are to be performed by it on or before the Closing Date (except with respect to the obligation to tender the Total Consideration in accordance with the terms of this Agreement and any obligations qualified by materiality, which obligations shall have been performed in all respects as required under this Agreement).

(c) Approvals. The Bankruptcy Court shall have entered the Bid Procedures Order and the Confirmation Order shall be in full force and effect, and no order staying, reversing, modifying, vacating or amending the Confirmation Order shall be in effect on the Closing Date.

(d) No Violation of Orders. No preliminary or permanent injunction or other order of any court or Government that declares this Agreement invalid or unenforceable in any material respect or which prevents the consummation of the transactions contemplated hereby shall be in effect.

(e) No Litigation. There shall not be pending by any Government any suit, action or proceeding (i) challenging or seeking to restrain, prohibit, alter or materially delay the consummation of any of the transactions contemplated by this Agreement or (ii) seeking to obtain from any Seller any damages in connection with the transactions contemplated hereby.

(f) Closing Deliveries. Purchaser shall have made the deliveries contemplated under Section 4.3.

SECTION 8.2 Conditions Precedent to the Performance by Purchaser. The obligations of the Purchaser to consummate the transactions contemplated by this Agreement are subject to the fulfillment, at or before the Closing, of the following conditions, any one or more of which (other than the conditions contained in Section 8.2(c) and Section 8.2(d)) may be waived by Purchaser, in its sole discretion:

(a) Representations and Warranties of Seller. The representations and warranties of Seller made in Section 5.1 of this Agreement shall be true and correct as of the Execution Date and as of the Closing Date as though made by Seller again as of the Closing Date, except to the extent such representations and warranties expressly relate to an earlier date,

in which case such representations and warranties shall be true and correct on and as of such earlier date.

(b) Performance of the Obligations of Seller. Seller shall have performed in all material respects all obligations required under this Agreement or any Ancillary Agreement to which Seller is party to be performed by Seller on or before the Closing Date (except with respect to any obligations qualified by materiality, which obligations shall have been performed in all respects as required under this Agreement) including without limitation payment of Cure Costs for Executory Contracts that are Acquired Contracts in accordance with Section 2.1(g).

(c) Bankruptcy Court Approval. (i) The Seller shall have filed the pleadings and obtained hearings thereon and approvals thereof as described in Section 11 and (ii) the Confirmation Order shall have been entered and shall have become a Final Order.

(d) No Violation of Orders. No preliminary or permanent injunction or other order of any court or Government that declares this Agreement invalid in any material respect or prevents the consummation of the transactions contemplated hereby shall be in effect.

(e) No Litigation. There shall not be pending by any Government any suit, action or proceeding, (i) challenging or seeking to restrain, prohibit, alter or materially delay the consummation of any of the transactions contemplated by this Agreement, (ii) seeking to obtain from Purchaser or any of its Affiliates any damages in connection with the transactions contemplated hereby, or (iii) seeking to prohibit Purchaser or any of its Affiliates from effectively controlling or operating any portion of the Acquired Assets.

(f) Third Party Consents and Approvals. All approvals, consents and waivers that are necessary to authorize and effect the transactions contemplated by this Agreement and for the operation of the Purchased Stores by Purchaser, all of which are set forth on Schedule 5.1(c), shall have been obtained (without conditions materially adverse to Purchaser), and executed counterparts thereof shall have been delivered to Purchaser in accordance with the requirements of this Agreement, including, without limitation, consents (to the extent necessary) from landlords, lenders and government agencies.

(g) Closing Deliveries. Seller shall have made the deliveries contemplated under Section 4.2.

(h) No Breach of Covenants. The Seller shall not have materially breached any of its covenants in the Agreement, including the covenants described in Section 6.1.

(i) No Material Adverse Change. No material adverse change shall have occurred since June 2, 2010 in the Seller's business, results of operations, or financial condition taken as a whole.

(j) Sales Tax. The Purchaser shall have obtained a provision in the Confirmation Order providing that the sales tax liabilities that are Assumed Liabilities do not exceed \$2,507,926 and authorizing Purchaser to pay such obligations ratably over five years

from the Closing Date with statutory interest from the Closing Date in accordance with section 1129(a)(9)(C) of the Bankruptcy Code.

(k) Transition Agreement. The Transition Agreement shall have been duly executed and delivered by Seller.

ARTICLE 9. TERMINATION

SECTION 9.1 Conditions of Termination. This Agreement may be terminated only in accordance with this Section 9.1. This Agreement may be terminated at any time before the Closing as follows:

(a) By Purchaser, by written notice to Seller, at any time prior to the 36th day following the Execution Date.

(b) By Purchaser, if (i) Seller fails to obtain a Bid Procedures Order on or before the 35th day following the Execution Date or (ii) Closing has not occurred by August 31, 2010 (the "**Termination Date**"); provided, however, that a Purchaser will not have the right to terminate this Agreement under this Section 9.1(b) if Purchaser is then in material breach of this Agreement;

(c) By mutual written consent of Seller (after conferring with the Committee) and Purchaser;

(d) By Seller, by written notice to Purchaser, if (i) the Closing has not occurred before the 16th day after the entry of the Confirmation Order, or (ii) Seller has previously provided Purchaser with notice of any inaccuracy of any representation or warranty contained in Section 5.2 which inaccuracy results in, individually or in the aggregate with the results of other inaccuracies, the Purchaser's inability to close on the transactions contemplated by this Agreement on the Closing Date, or a material failure to perform any covenant of the Purchaser contained in this Agreement or any Ancillary Agreement to which the Purchaser is party, and the Purchaser has failed, within ten (10) days after receipt of such notice, to remedy such inaccuracy or perform such covenant or provide reasonably adequate assurance to Seller or Purchaser's ability, to remedy such inaccuracy or perform such covenant; provided however, that in the case of clause (i) or clause (ii), Seller shall not have the right to terminate this Agreement under this Section 9.1(d) if Seller is then in material breach of this Agreement;

(e) By Purchaser, by written notice to Seller, if Purchaser has previously provided Seller with notice of any inaccuracy of any representation or breach of any warranty of Seller contained in Section 5.1, which inaccuracy or breach could reasonably be expected to result in, individually or in the aggregate with the results of other inaccuracies or breaches, an adverse change impacting the Acquired Assets or net income of the business operations of Seller or a material failure to perform any covenant of Seller contained in this Agreement, including without limitation those covenants listed in Section 6.1, or any Ancillary Agreement to which Seller is party, and Seller has failed, within ten (10) days after receipt of such notice, to remedy such inaccuracy or perform such covenant or provide reasonably adequate assurance to Purchaser of Seller's ability to remedy such

inaccuracy or perform such covenant; provided, however, that Purchaser shall not have the right to terminate this Agreement under this Section 9.1(e) if Purchaser is then in material breach of this Agreement;

(f) By Purchaser, by written notice to Seller, in the event a material adverse change shall have occurred since June 6, 2010, in the Seller's business, results of operations, or financial condition taken as a whole;

(g) By Purchaser, by written notice to Seller, under the conditions set forth in Section 6.5;

(h) By Purchaser, by written notice to Seller, if (i) the Committee files with the Bankruptcy Court an objection to confirmation of the Plan or other pleading that could reasonably be expected to cause the transaction contemplated by the Agreement not to be approved by the Bankruptcy Court, or (ii) PNC Bank and/or Huntington Bank, their respective successors or assigns informs the Seller of their intent to file (in which case Seller shall promptly notify Purchaser) or actually files with the Bankruptcy Court an objection to confirmation of the Plan or other pleading that could reasonably be expected to cause the transaction contemplated by the Agreement not to be approved by the Bankruptcy Court; and

(i) Automatically, upon the occurrence of an Alternative Transaction.

SECTION 9.2 Effect of Termination; Liquidated Damages.

(a) Each party's right of termination under Section 9.1 is in addition to any other rights it may have under this Agreement or otherwise, and the exercise of such right of termination will not be an election of remedies. If this Agreement is terminated pursuant to Section 9.1, all obligations of the parties under this Agreement will terminate, except for those in Article 9, Article 10, Section 11.3 and Article 12, which will survive termination; provided, however, that, if this Agreement is terminated because of a breach of this Agreement by the non-terminating party or because one or more conditions to the terminating party's obligations under this Agreement is not satisfied as a result of the party's failure to comply with its obligations under this Agreement, the terminating party's right to pursue all legal remedies, whether legal or equitable, will survive such termination subject to the limitations set forth in this Section 9.2. For the avoidance of doubt and notwithstanding anything to the contrary in this Agreement, Purchaser's aggregate liability under this Agreement for any breach or termination within 35 days of the Execution Date, including a termination by Seller within such time period pursuant to Section 9.1(d), shall not exceed the amount of the Deposit.

(b) If the Purchaser breaches this Agreement or terminates this Agreement pursuant to Section 9.1(a) and if the Seller is not otherwise in material breach of this Agreement, then notwithstanding anything to the contrary in this Agreement, the Purchaser shall forfeit the Deposit as liquidated damages which, the parties agree, shall be the Seller's sole and exclusive (legal or equitable) remedy against the Purchaser.

(c) If Purchaser terminates this Agreement pursuant to Section 9.1(b) or Section 9.1(c) or Section 9.1(e) through Section 9.1(h), or if this Agreement terminates pursuant to Section 9.1(i), then Seller will promptly return the Deposit to the Purchaser and Seller shall not be entitled to pursue any legal or equitable remedy against Purchaser.

(d) If this Agreement terminates pursuant to Section 9.1(b), Section 9.1(e), Section 9.1(h) or Section 9.1(i), then in addition to the immediate return of the Deposit, Seller will pay the Break Up Fee to the Purchaser on the occurrence of an Alternative Transaction.

ARTICLE 10. SURVIVAL

SECTION 10.1 Survival: Indemnification. The representations and warranties in this Agreement and the schedules and exhibits attached hereto or in any writing delivered by Seller or Purchaser to the other party in connection with this Agreement will not survive the Closing. The Acquired Assets will be sold, transferred and conveyed by Seller to Purchaser on an AS IS-WHERE IS basis.

SECTION 10.2 Specific Performance. The Purchaser acknowledges that in case of any breach of its covenants or other obligations, the Seller would suffer immediate and irreparable harm, which money damages would be inadequate to remedy, and accordingly, in case of any such breach the Seller will be entitled to obtain specific performance and other equitable remedies. The Seller acknowledges that in case of any breach of its covenants or other obligations, but subject to Seller's right to pursue an Alternative Transaction where Seller pays Purchaser the Break Up Fee at the time of Closing on an Alternative Transaction, the Purchaser would suffer immediate and irreparable harm, which money damages would be inadequate to remedy, and accordingly, in case of any such breach the Purchaser will be entitled to obtain specific performance and other equitable remedies.

SECTION 10.3 Survival of Obligations Relating to Deposit and Break Up Fee. Notwithstanding anything to the contrary in this Agreement and subject to the terms and provisions of the Bid Procedures Order, Seller's obligations to repay the Deposit and pay the Break Up Fee in accordance with the terms of this Agreement shall survive any termination of this Agreement.

ARTICLE 11. BANKRUPTCY COURT APPROVAL OF AGREEMENT

SECTION 11.1 Bankruptcy Court Approval of Plan; Bid Procedures Order. The Seller will seek approval of the Agreement as part of confirmation of the Plan pursuant to the Confirmation Order. The Seller shall move for entry of the Bid Procedures Order promptly and shall use their commercially reasonable efforts to obtain entry of the Bid Procedures Order by no later than 35 days after the Execution Date.

SECTION 11.2 Pre-Confirmation Filings and Timing. The Seller, as promptly as possible and within such times as permitted by the Bankruptcy Rules and ordered by the Bankruptcy Court, will:

- (a) file the Disclosure Statement relating to the Plan and include therein a schedule setting forth what the Seller believes to be the Cure Cost for all of Seller's Executory Contracts and Unexpired Leases on or before July 9, 2010;
- (b) seek interim approval of the Disclosure Statement and a consolidated hearing on final approval of the Disclosure Statement and confirmation of the Plan;
- (c) seek approval of the Bid Procedures Order;
- (d) request that the Bankruptcy Court set a deadline approximately two weeks after the list of Cure Costs is filed with the Disclosure Statement by the Seller by which Seller's counterparties to Executory Contracts and Unexpired Leases must file a written objection to the assumption and assignment of any Executory Contract and Unexpired Lease Contract to Purchaser or the Cure Cost proposed by Seller (which objection must include the creditor's statement of what it believes the Cure Cost to be);
- (e) give notice that (i) the trial of all disputed issues relating to Cure Cost, adequate assurance of future performance and any other objection to assumption and assignment of any Executory Contract and Unexpired Lease to Purchaser will occur at the Confirmation Hearing, and (ii) that Seller has agreed to submit the Confirmation Order to the Bankruptcy Court no sooner than two hours after conclusion of oral presentations at the Confirmation Hearing in order to give Purchaser time to exercise its discretion to make its final list of the Executory Contracts and Unexpired Leases that it wishes to acquire, which list shall become an exhibit to the Confirmation Order; and
- (f) give notice in the Disclosure Statement and provide in the Plan and Confirmation Order that the Seller will reject all Executory Contracts and Unexpired Leases that Purchaser does not choose to acquire.

SECTION 11.3 Alternative Approach. In the event that entry of the Plan Confirmation and Sale Approval Order does not appear reasonably likely on or before the Termination Date, Seller, after conferring with the Committee, may, in its sole and absolute discretion with the consent of Purchaser, withdraw the Plan and file pleadings with the Bankruptcy Court whereby Seller seeks Bankruptcy Court approval of the transactions contemplated under this Agreement pursuant to sections 105, 363 and 365 of the Bankruptcy Code; provided, however, that in such event, the Seller will be exclusively responsible for paying all stamp and transfer taxes otherwise subject to waiver pursuant to section 1146(a) of the Bankruptcy Code.

ARTICLE 12. MISCELLANEOUS

SECTION 12.1 Further Assurances. Prior to the Closing Date, Purchaser and Seller, and following the Closing Date, Purchaser and Seller or the M&E Trust, as the case may be, shall cooperate reasonably with each other and their respective representatives in connection with any steps required to be taken as part of their respective obligations under the Agreement and the Plan, and will (i) furnish on request to each other such further information, (ii) execute and deliver to each other such other documents, and (iii) do such other acts and things, all as the

respective other party may reasonably request for the purpose of carrying out the intent of the Agreement and the Plan.

SECTION 12.2 Successors and Assigns.

(a) Purchaser is prohibited from assigning any of its rights or obligations under this Agreement to any Person or Persons, absent written consent by the Seller and the Committee; provided, however, Purchaser may assign this Agreement and its rights and obligations hereunder, in whole or in part, to any affiliate or subsidiary of Purchaser, which such assignment shall not release Purchaser from its obligations hereunder.

(b) This Agreement will inure to the benefit of and shall be binding upon the successors and permitted assigns of the parties hereto.

(c) Purchaser shall not be deemed to be a successor for financial liability purposes except as otherwise provided herein or in the Plan.

SECTION 12.3 Governing Law: Jurisdiction. This Agreement will be construed, performed and enforced in accordance with, and governed by, the laws of Delaware (without giving effect to the principles of conflicts of laws thereof), except to the extent that the laws of Delaware are superseded by the Bankruptcy Code or other applicable federal law. For so long as Seller is subject to the jurisdiction of the Bankruptcy Court, the parties irrevocably elect, as the sole judicial forum for the adjudication of any matters arising under or in connection with the Agreement, and consent to the exclusive jurisdiction of the Bankruptcy Court.

SECTION 12.4 Limitations on Loans, Distributions and Dividends to Equity. Until such time as the M&E Trust Note has been fully paid, neither Purchaser nor its assignee(s) may make any distributions, dividends, loans or other payments or transfers of consideration to its owners or their affiliates, subsidiaries or related parties, other than (a) distributions for the payment of taxes on Purchaser's income, which distributions shall be determined using an assumed applicable combined federal and state income tax rate equal to the highest marginal federal tax rate plus the highest marginal rate applicable to residents of New York or California, (b) ordinary course salary and bonuses to employees of Purchaser, (c) directors' fees not to exceed \$75,000 per director per annum and reimbursement of out-of-pocket expenses to non-employee directors of Purchaser, and (d) a transaction fee at Closing or shortly after Closing not to exceed \$250,000 .

SECTION 12.5 Expenses. Except as otherwise provided in this Agreement, each of the parties shall pay its own expenses in connection with this Agreement and the transactions contemplated hereby, including, without limitation, any legal and accounting fees, whether or not the transactions contemplated hereby are consummated. Purchaser will pay the cost of all surveys, title insurance policies and title reports ordered by Purchaser.

SECTION 12.6 Broker's and Finder's Fees. Each of the parties represents and warrants that other than William Blair & Company, the Bankruptcy Court approved investment banker of Seller, it has not engaged any broker or finder in connection with any of the

transactions contemplated by this Agreement, no other broker or other Person is entitled to any commission or finder's fee in connection with any of these transactions. The Purchaser is not liable for any fees or expenses of William Blair & Company.

SECTION 12.7 Severability. In the event that any part of this Agreement is declared by any court or other judicial or administrative body to be null, void or unenforceable, said provision shall survive to the extent it is not so declared, and all of the other provisions of this Agreement shall remain in full force and effect only if, after excluding the portion deemed to be unenforceable, the remaining terms shall provide for the consummation of the transactions contemplated hereby in substantially the same manner as originally set forth at the later of (a) the Execution Date and (b) the date this Agreement was last amended.

SECTION 12.8 Right of M&E Trust to Retain William Niegsch. Notwithstanding any agreement of employment after the Closing Date by and between Purchaser and William Niegsch, the M&E Trust may retain William Niegsch or other employee of Seller as an hourly contractor, at a rate of \$100 per hour with respect to William Niegsch and on terms acceptable to Purchaser and the M&E Trust, with respect to other individuals designated by the M&E Trust, provided that such consulting relationship does not interfere with the employment relationship between Purchaser and William Niegsch or other designated individuals, if any.

SECTION 12.9 Notices.

(a) All notices, requests, demands, consents and other communications under this Agreement shall be in writing (the term "writing" shall include facsimile, electronic mail or other electronic transmission) and shall be deemed to have been duly given: (i) on the date of service, if served personally on the party to whom notice is to be given; (ii) on the day of confirmed transmission, if sent via facsimile transmission or email to the facsimile number or email address given below, if a copy is also promptly delivered by any of the means set forth in clause (i), (iii) or (iv) of this Section 12.10(a); (iii) on the next business day after delivery to FedEx Express or similar overnight courier or the Express Mail service maintained by the United States Postal Service addressed to the party to whom notice is to be given; or (iv) on the fifth day after mailing, if mailed to the party to whom notice is to be given, by first class mail, registered or certified, postage prepaid and properly addressed, to the party as follows:

(b) Any party may change its address, facsimile number or email address for the purpose of this Section 12.10 by giving the other parties written notice of its new address in the manner set forth above.

SECTION 12.10 Amendments; Waivers. This Agreement may be amended or modified, and any of the terms, covenants, representations, warranties or conditions hereof may be waived, only by a written instrument executed by Purchaser and Seller, or in the case of a waiver, by the party waiving compliance (and, if the waiver is required from the Seller, by the Committee). Any waiver by any party of any condition, or of the breach of any provision, term, covenant, representation or warranty contained in this Agreement, in any one or more instances, shall not be deemed to be or construed as a furthering or continuing waiver of any such condition, or of the breach of any other provision, term, covenant, representation or warranty of this Agreement.

SECTION 12.11 Public Announcements. Promptly after the Plan and APA are filed with the Bankruptcy Court by Seller and the Committee, but in no event later than 4 Business Days after the Execution Date, Seller and Purchaser will make a joint press release in form and substance reasonably satisfactory to both of them regarding the identity of the Purchaser and the transaction contemplated herein. Thereafter, no party will make any press release or public announcement concerning the transactions contemplated by this Agreement without first coordinating their communications strategy with the other party, unless a press release or public announcement is required by law, the rules of any stock exchange or order of the Bankruptcy Court. If any such announcement or other disclosure is required by law, the rules of any stock exchange or order of the Bankruptcy Court, the disclosing party agrees to give the nondisclosing party or parties prior notice of, and an opportunity to comment on, the proposed disclosure.

SECTION 12.12 Entire Agreement. This Agreement, the Ancillary Agreements and the Plan contain the entire understanding between the parties with respect to the transactions contemplated hereby and supersede and replace all prior and contemporaneous agreements and understandings, oral or written, with regard to such transactions. All Schedules hereto and any documents and instruments delivered pursuant to any provision hereof are expressly made a part of this Agreement as fully as though completely set forth herein. All Schedules hereto (i) shall continue to be updated by Seller until Closing, provided that Purchaser's condition to Closing set forth in Section 8.2(a) must be satisfied with respect to the Schedules as they exist of the Execution Date, and (ii) are subject to amendment by Purchaser in its sole discretion pursuant to the procedures set forth in Section 2.1(g) which procedures shall apply to all Schedules hereto. Notwithstanding anything to the contrary in this Agreement, (a) the Seller shall deliver the Schedules to this Agreement to the Purchaser by no later than Tuesday, July 6, 2010, (b) the Purchaser shall notify the Seller of its acceptance or rejection of such Schedules by not later than Thursday, July 8, 2010, and (c) if the Purchaser rejects such Schedules, then this Agreement shall automatically terminate, Seller shall promptly return the Deposit to the Purchaser, and the Seller shall not be entitled to pursue any legal or equitable remedy against the Purchaser.

SECTION 12.13 No Third Party Beneficiaries. Nothing in this Agreement is intended to or shall confer any rights or remedies under or by reason of this Agreement on any Persons other than Seller, Purchaser, the Committee and their respective successors and permitted assigns. Nothing in this Agreement is intended to or shall relieve or discharge the obligation or liability of any third Persons to Seller or to Purchaser. This Agreement is not intended and will not give any third Persons any right of subrogation or action over or against Seller or against or Purchaser.

SECTION 12.14 Headings. The article and section headings in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

SECTION 12.16 Joint Drafting. The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.
